Five Oaks Dental is a general, family, and cosmetic dental practice serving Livonia and Redford. With more than 30 years of experience, Franco Facchini, DDS, FAGD, and his staff at Five Oaks Dental, provide high quality dental care at an exceptional value.

At Five Oaks Dental, we are concerned about your smile, your ability to chew, and your teeth lasting the rest of your life. We are also committed to improving your general health through good dental health. We teach children in our office and at local schools the relationship between good dental health and overall health.

Everyone has different needs and we provide a wide range of services to meet those needs. Some want a Hollywood smile while others want only to be free from oral pain. We deliver care that is appropriate for you at a reasonable fee.

We have several payment and financing options available to ease the costs of your treatment.
